IMPORTAR/EXPORTAR REFERENCIAS DESDE SCOPUS A ORCID

Se vostede ten publicacións recollidas pola base de datos Scopus pode vincular a súa conta de ORCID co “Author Identifier” de Scopus. Desta forma no seu perfil de ORCID aparecerá o seu Author ID de Scopus no apartado “Otros identificadores”. Ademais vincular as dúas contas permítelle de forma sinxela importar as súas publicacións en Scopus ao seu perfil en ORCID.

1. Importar as publicacións en Scopus desde ORCID:

Inicie sesión en Orcid <https://orcid.org> e acceda no seu perfil ao apartado “Obras”

The screenshot shows the ORCID iD profile page. The top navigation bar includes links for 'PARA INVESTIGADORES', 'PARA ORGANIZACIONES', 'QUIÉNES SOMOS', 'AYUDA', and 'CERRAR SESIÓN'. The main content area displays the user's ORCID iD and a list of sections for adding information. A red arrow points to the 'Obras' (Works) section, which currently shows 0 works. The sections listed are: Empleo (1), Education and qualifications (1), Invited positions and distinctions (0), Membership and service (0), Financiamiento (0), and Obras (0 of 0).

Prema en “+Agregar obras” e en “Buscar y enlazar”

Abrirase unha ventá cunha listaxe alfabética de provedores de información das que ORCID permite importar rexistros. Localice e seleccione a base de datos Scopus (ao final da listaxe).

A primeira vez deberá autorizar a Scopus – Elsevier o acceso ao seu perfil en ORCID:

Unha vez autorizado o acceso, **iníciase o proceso de importación das publicacións a través dun asistente en 6 pasos.**

Ao inicio, Scopus advirte da posibilidade de que o autor teña varios “perfís de autor” e da necesidade de unificalos (o que poderá facer neste proceso)

Send Scopus Author details and publication list to ORCID

Your publications on Scopus may be spread over a number of different Author profiles, because these are generated automatically. In order to create a single profile containing the correct publications, please follow the steps in this wizard. On completion, any changes will be sent as corrections to Scopus. To locate all Author ID's please provide all the name variants under which you have published below.

Prema en “Start” para iniciar os 6 pasos do proceso:

1. **Select profiles.** Selecciona o perfil ou perfís que lle correspondan e premea en “Next”

Scopus Author ID submitted

Your Author ID has been sent to ORCID. However, before we can send your publication list we must ask your permission. If you wish to send your list of publications to ORCID, please continue to the next step. Alternatively you can return to ORCID.

return to ORCID | **Send my publication list**

Cando se incorpore a Scopus unha nova publicación débese repetir o proceso. ORCID fusionará os duplicados.

2. Exportar as publicacións desde Scopus a ORCID

Tamén se pode facer o proceso á inversa, é dicir, enviar as nosas publicacións dende a base de datos Scopus ao noso perfil en ORCID.

Acceda á base de datos Scopus dende o buscador de recursos electrónicos da Biblioteca <http://sp.bugalia.org/vig/gl/subjects/databases.php?letter=S>

Faga unha **busca por autor** e entre no seu perfil.

Desde o seu perfil de autor preme en “**+Add to ORCID**”

Abrirase o mesmo asistente con 6 pasos que o guiarán no proceso.
