Below that is a large banner image of a modern library building. A search bar is visible with 'Galego Castellano English' options. The main content area includes a 'Library services satisfaction survey 2014' section with an 'Enter' button. There are also 'Quick links' for 'Opening hours', 'Catalog', 'User registration', 'Request new acquisitions', 'Remote access', and 'Investigo'. The footer contains contact information and a logo.

Computers are available in the library to access to our online collections.

The screenshot shows the Perseo library catalogue interface. It features a search bar at the top with 'palabra clave' and 'Todo la colección' dropdowns. Below the search bar, there are sections for 'Búsqueda directa' and 'Búsqueda avanzada'. The 'Búsqueda avanzada' section includes fields for 'Palabra clave', 'Autor', 'Título', and 'Autor / Título'. There are also checkboxes for 'Materia', 'ISBN / ISSN', 'Título revista', and 'Signatura'. The interface is in Spanish and includes a navigation menu on the left.

## Borrow, reserve & renew

Students can borrow up to three items at the same time from any of the libraries of the University of Vigo during a maximum of ten days and make up two renewals.

You can renew them at the circulation desk, in the internet through the catalogue web page, or by phone.

If you want to reserve a book which is borrowed, ask at the circulation desk or email us.

## Library Catalogue

Use the catalogue...

- To find books, journals, theses, dvd's...
- To see your user registration (with your user card). It allows you to see your due dates, renew your borrowed items, create alerts, save searches from the catalogue...
- To consult the recommended bibliography by professor or course.
- To access to electronic resources.
- To make suggestions and complaints.
